VOYAGE TYPE

REMOTE EXPEDITION

Journeying to Earth's most remote polar regions and faraway destinations, these are true expert-led expedition voyages, combining rugged adventure and Zodiac landings with rare discovery, extraordinary wildlife and stunning landscapes few have ever seen.

DESTINATION EXPLORATION

Deeply immersive explorations and landings in rarely-visited destinations – distant islands and coastal landscapes home to exceptional biodiversity, eco-treasures and wilderness – are combined with visits to world-class cities featuring an expedition twist.

CULTURAL DISCOVERY

From legendary lands and exotic isles to modern-day cities and destinations renowned for their history, art and nature, these voyages delve into the cultural heart and iconic wonders of each unique locale with adventurous experiences, landings and insight.
