The Good Life

A quick clip on the *Safari Voyager*—discreet, classy, and stealth. She is a leader in expedition functionality and features the fleet's most advanced skiff launching platform. Comfortable in warm water regions, she's specifically built to handle the humidity and heat that can challenge lesser-designed vessels. Tropical adventure and wilderness access are always at the forefront. So is the natural landscape.

A seamless extension of the places she sails, the ship and her mostly-local crew exude *pura vida* (pure life). Handcrafted artwork throughout the vessel and in each cabin pays homage to the regions of Costa Rica and Panamá. Casual in nature, the *Safari Voyager* is a bit of a show-off, too—take in 270-degrees of view from the top deck or window-to-window in the air-conditioned lounge.
